Yoga & Wellness

In the post-pandemic world, it is crucial to be mindful of your physical, mental and emotional well-being and what better way to do it then yoga! Yoga is essentially a spiritual discipline focused on aligning the mind, body and soul in a harmonious union. Propagating the spiritual wealth of sages and seers, India is at the forefront when it come to spreading awareness about wellness and yoga traditions around the world.

With this belief, the Festival aims to integrate a wellness capsule that will focus on the many benefits of yoga while also sharing useful insights on how to create a lifestyle based on wellness and mindfulness via thoughtful morning sessions.
